7TH WORLD CONTRACT MANAGEMENT SUMMIT

18-19 SEPTEMBER 2025

HOTEL RIU PLAZA | BERLIN, GERMANY

Register Now & Save €300

We are pleased to announce the launch of the **7th World Contract Management Summit** that will take place on the **18th - 19th of September 2025** in **Berlin, Germany**. Building on the success of the previous six editions, this year's event will delve into key trends, digital transformation, and best practices in contract life cycle management, focusing on enhancing efficiency, ensuring compliance, mitigating risks, and driving collaboration across industries. This cross-industry event will bring together contract management professionals, business leaders, and industry experts to discuss the evolving landscape of CLM, share best practices, and explore innovative strategies for optimizing contractual functions, and more. Join us to learn, network and get inspired by the most fascinating case studies!

Key Practical Learning Points

- Leveraging AI to Revolutionize Contract Review and Optimize Risk Management
- Adapting Smart Contracts for Enabling Seamless Digital Transformation
- Integrating Contract Harmonization to Boosts Operational Efficiency
- Mastering Change Requests Within Contractual Agreements Ensuring Flexibility and Compliance
- Preventing Financial Losses Through Effective Risk Mitigation and Contractual Safeguards
- Navigating the Legal Complexities of Multi-Jurisdictional Contracts
- Embedding ESG in Contractual Agreements to Drive Long-Term Business Value
- Maintaining Contract Control with Effective Change Request Management
- Optimizing Contract Management with Efficient and Scalable Legal Processes

- Commercial Contract
- Document & Commercial Management
- & Others

Previous Attendees Include

WWW.LUXATIAINTERNATIONAL.COM

08:30 Check-In and Welcome Coffee 

09:00 Opening Address from the Event Chair

09:10 “Breaking the Ice” Speed Networking Session

Meet your colleagues, exchange business cards and have a maximum number of 1-on-1 talks in a short amount of time! Our Speed Networking session will help you to form those initial relationships early, find out who is facing the same challenges as you and get a nice preview of what a longer conversation could bring!

TECH-ADVANCED CONTRACT MANAGEMENT

09:50 AVAILABLE SPONSORSHIP SLOT

**End-to-End Contract Automation: Streamlining the Entire Life cycle**

Explore how automating every phase of the contract lifecycle—from drafting and negotiation to execution, performance monitoring, and renewal—can dramatically streamline operations. Discover how digital tools and best practices reduce manual work and risk while boosting efficiency and compliance. Real-world case studies provide actionable strategies for transforming traditional contract management into a seamless, high-performing process.

10:30 Case Study: **Smart Contracting in the AI Era: Redefining Efficiency, Compliance, and Risk Control**

Amid rising complexity and tighter regulatory expectations, smart contracting powered by AI is becoming a strategic differentiator. AI-driven tools are streamlining contract creation, surfacing hidden risks, and improving cross-functional coordination across legal, procurement, and commercial teams. With capabilities like real-time clause optimization, predictive risk scoring, and automated obligation monitoring, contracts are evolving from static documents into intelligent, self-executing assets. Discover how leading enterprises are transforming contracting into a value-generating function—reducing cycle times, enhancing transparency, and reinforcing compliance at scale.

Patrick van den Hoevel

Director, Deal Pursuit, EMEA

Google Cloud

11:00 Morning Coffee and Networking Break 11:30 Case Study: **The Automation of Contractual Requirements in the Service Process**

The case study will showcase how EMS Electro Medical Systems automated its service contracts in 3 stages. From a completely manual process to a customer self-service portal with a fully automated contract process.

Speaker TBC
CRM FIRST12:00 Case Study: **Enhancing Contractual Overview and Risk Management through AI**

- Discover how AI-driven tools can revolutionize contract review and optimize risk management
- Explore real-world applications of automation in improving contract oversight and commercial interests
- Understand how digital solutions can enhance financial reporting and compliance with international standards
- Learn strategies for minimizing risks and streamlining contract execution through advanced compliance strategies

Rita Cunha

Senior Contract Manager

ABB

12:30 Case Study: **The Evolution of the Contract Manager: Leveraging AI to Create New Opportunities and Enhance Strategic Value in Contract Management**

This presentation explores the transformative impact of artificial intelligence on contract management, focusing on how the integration of AI-driven tools are reshaping our role, while unlocking new opportunities for efficiency, compliance, and strategic value creation.

Daisie Henshall-Brown

Head of Central Government Contracts

BT

13:00 Business Lunch 

UNLOCKING THE POWER OF EFFECTIVE CONTRACT MANAGEMENT

14:00 Case Study: **Business Objectives and Contract Alignment - Professional Services**

This session will showcase the importance of selecting the right contract model and leverages to fit with the business dynamics and objectives. There are many types of client-vendor relationships, expectations, and practices, hence each business scenario should be backed-up with a relevant contract model to maximise commercial value.

Vincent Faramaz

Global Head of Commercial Management

/ Professional Services

TikTok

14:30 Case Study: **Enhancing Contract Management through Effective Rate Management Strategies**

Optimizing contract management starts with mastering rate strategy. From analysis and negotiation to tech-enabled automation, effective rate management drives financial consistency, reduces risk, and reveals untapped strategic value across the contract lifecycle. Real-world examples and expert perspectives highlight how precise rate controls can turn static agreements into powerful instruments for operational efficiency and cost optimization.

Pavan Gollapudi

Head of Global Master Data, Rate and Contract Management (Air/ocean)

DB Schenker

15:00 Afternoon Tea and Networking Break 15:20 Case Study: **Achieving Operational Excellence by Standardizing Contract Processes Across the Organization**

Driving operational excellence begins with consistency. Standardizing contract processes across the organization simplifies workflows, reduces complexity, and enhances compliance through automation. Backed by real-world examples and expert insights, this discussion reveals how a unified approach to contract management can minimize risk, improve efficiency, and deliver greater strategic value to the business.

Alina Stahl

Head of Contract Management

Schaeffler

15:50 Case Study: **Experience Sharing: Beyond the Agreement - Essential Principles for Successful Contract Management in Projects and for Challenging Negotiations**

Join me for an insightful presentation on “Beyond the Agreement.” Effective project contract management transcends the simple act of signing an agreement; it requires strategic oversight, adaptability, and proactive risk mitigation throughout the project lifecycle. In today's increasingly intricate environment, achieving the right balance between diverse needs and interests in project contract management is essential. It's therefore crucial to recognize that there are no substitutes for respectful, consistent, and value-driven contract management and negotiation practices, irrespective of the perception that the strongest party always prevails. I invite you to embark on this journey with me as we exchange insights on the core principles of successful project contract management and effective negotiation strategies for projects. Whether you are involved in large-scale projects or high-stakes negotiations, this session aims to equip you with actionable insights that can enhance efficiency, minimize disputes, and pave the way for long-term success in project contract management.

Sandrow Koenig

Head of Contract Management Nordics

Alstom

16:20 PANEL DISCUSSION **Automation, Collaboration, and Innovation: Rethinking Contract Management for the Modern Enterprise**

This panel discussion brings together industry experts to explore how automation, collaboration, and innovation are reshaping contract management for the modern enterprise. Our panelists will share insights on integrating digital automation tools, fostering cross-functional collaboration, and driving innovative strategies that streamline the contract lifecycle. Through real-world examples and forward-thinking perspectives, the discussion will address challenges and uncover opportunities to transform contract management into a strategic, competitive advantage.

17:00 Chair's Closing Remarks and End of Day One

18:00 Networking Dinner 

08:30 Check-In and Welcome Coffee 

09:00 Day Two Opening Remarks from the Chair

FUTURE-PROOFING CLM: ADAPTING FOR TOMORROW'S CHALLENGES

09:10 Case Study: 

The Power of a Best Practice in Contract and Commercial Management

- The Basics: Learn why clearly defined roles, responsibilities, processes, and activities are essential for every organization, in the current business ecosystem.
- Collaboration and Contracts: Discover how the increasing number of contracts and faster changes make collaboration crucial and why best practices play a key role in this.
- Importance of Data: Understand why data is becoming increasingly important and how best practices can help manage and utilize data effectively.

Head of General Counsel Capability Centre
Rolls-Royce

15:20 Chair's Closing Remarks and End of Summit

SPOTLIGHT ON OUR SPEAKERS

7TH WORLD **CONTRACT MANAGEMENT** SUMMIT | 18–19 SEPTEMBER 2025 | BERLIN, GERMANY

Richard Beaumont
Founder
Eruditic

Working across the UK, Europe, US and Asia, Richard Beaumont is an internationally renowned Procurement Leader, Trainer and Executive Advisor with over 30 years' experience across multiple industry sectors. Richard specialises in helping procurement teams to deliver greater value, reduce risk and build innovation through better use of technology. After a career journey from Army Officer to MD to McKinsey Consultant to CPO, Richard realised that his passion was helping businesses to transform their procurement teams through an experience-based mix of keynote speaking, training and coaching.

Vincent Faramaz
Global Head of Commercial
Management / Professional Services
TikTok

Senior Director - TikTok - Commercial Management - with 20+ years' business experience and proven track record of successful negotiations for global services agreements with top-tier clients and vendors. Expert in partnership management, procurement/contract management, and driving business growth. Extensive business background, developing Business Solutions with best practices: cost, contract, operations, profitability.

Daisie Henshall-Brown
Head of Central Government Contracts
BT

Daisie is Head of Central Government contracts within BT, working to ensure commercial excellence across all stages of the contract lifecycle. With a decade's experience in Contract Management, Daisie has extensive experience working with both public and private sector clients, within the UK and internationally.

Jay Effendhi
Head of Contracting, and Lead to Agreement
APM Terminals

A transformational leader in leveraging tech, commercial and sustainability. Equipped with two decades of experience; ranging from operation to advisory roles in several Fortune Top 50 companies. Jay has deep expertise in driving global projects and leading change in several 0 to 1, systems integration mega projects and using tech to produce roadmaps towards more sustainable practice. Jay graduated with an Executive MBA from Northwestern University Kellogg and WHU Otto-Beisheim. She continued her learning, and graduated with a Masters of Science in Governance of Sustainability from Universiteit Leiden recently.

Yara Tajo
Contract Management Director
Veolia

Yara has more than 17 years of experience in cross-border transactions, with a focus on construction, operation & maintenance, services, supply, partnership, shareholder and financing contracts, including in large public-private partnership projects. Her background also includes dispute resolution, including international arbitration within the water sector. Yara's experience spans across several sectors, such as banking, energy and environmental infrastructure & services. She is a graduate of Sciences Po Bordeaux, Cornell Law School and the University Paris I Panthéon-Sorbonne. Additionally, she is a certified Contract Manager and Project Management Professional (PMP).

Joanne Walker
Head of General Counsel Capability Centre
Rolls-Royce

20 years experience in Rolls-Royce, working across Civil Aerospace. Experienced commercial professional and contract account manager, having worked with customers, suppliers and partners in Europe, Asia, Africa and the Americas. Led a number of organisational change programmes within Rolls-Royce, including the creation of a Commercial Shared Service (providing transactional support to the General Counsel teams). Created a Digital Solutions Team within General Counsel, responsible for new technology improvements. Currently lead the General Counsel Capability Centre, accountable for early career strategy, commercial degree apprenticeships, training, outsourcing and digital solutions, business transformation and policy/process.

Rita Cunha
Senior Contract Manager
ABB

Senior Contract and Commercial Manager with experience working for companies like ABB, Vestas, and Efaced. Expertise in contract management, procurement, negotiation and risk management across various industries, including renewable energy, railways, and pharmaceuticals. Rita holds a master's degree in Mechanical Engineering from the University of Porto and has implemented digital contract management processes and training programs. Fluent in multiple languages, Rita is focused in enhancing contractual efficiency and aligning contract management with advanced financial practices.

Lina Keßler
Co-founder
This is Legal Design

Lina Keßler (née Krawietz) is the co-founder and managing director of This is Legal Design (TiLD), an innovation consultancy specialized in the legal industry. As a lawyer, legal designer, and innovation consultant, Lina empowers legal departments to navigate their (digital) transformation with strategic, efficient, and human-centered approaches. She is a recognized thought leader, regularly publishing insights on innovation in the legal field. In 2020, she was awarded the "European Women of Legal Tech Award" in the category of Professional Services in 2020.

Sandrow Koenig
Head of Contract Management Nordics
Alstom

We are pleased to introduce Sandrow König, a highly qualified lawyer licensed in Germany, who brings over 20 years of invaluable experience in the railway industry. With a robust background encompassing more than 15 years in negotiations and over a decade in contract management, Sandrow currently leads teams across Sweden, Denmark, and Norway. His extensive expertise spans all facets of contract and claim management, particularly within project environments. As a confident leader, Sandrow is known for his deep commitment, exceptional problem-solving skills, and customer-centric approach. He excels in navigating challenging and complex negotiations, employing a firm yet respectful strategy that nurtures long-term collaboration and successful execution. Outside of his professional endeavors, Sandrow maintains his resilience and balance through jogging. He draws inspiration from his family, as well as his passions for travel, art, and culture. We look forward to his insights and contributions at the conference!

Thanh Ly Tran
Senior Contract Manager
Siemens

Thanh Ly Tran is a Senior Contract Manager at Siemens with significant expertise in contract and claim management for high-risk IoT and software development projects. Fluent in multiple languages, she provides business-oriented legal guidance and strategic negotiation support. Thanh Ly holds a Master of Laws (LL.M.) from Brunswick European Law School and has previously worked at Accenture, specializing in complex IT outsourcing and BPO contracts. She is also a member of the World Commerce & Contracting Association and a certified Commercial & Contract Management Practitioner.

Patrick van den Hoevel
Director, Deal Pursuit, EMEA
Google Cloud

Patrick is an experienced business executive with over a decade in cloud computing and more than fifteen years in the IT field. His expertise in law and sharp business acumen have made him highly skilled in handling negotiations, successfully tackling the most challenging situations. He currently leads the Deal Pursuit team for Google Cloud in the EMEA region, overseeing customer negotiations for both major strategic projects and smaller, yet vital, deals. His role is key in expanding Google Cloud's negotiation capabilities along with its service offerings. Previously, Patrick practiced law at several firms before moving to Siemens AG | Siemens IT Solutions and Services, where he managed contract operations for Germany's largest region and international strategic projects, which was eventually taken over by Atos. His later positions at Citrix, NTT DATA, and LogMeIn (now GoTo) involved transforming legal departments to support business growth, enhance profitability, and minimize risks. Outside of work, Patrick enjoys spending quality time with his wife and two sons, engaging in various activities, and indulging in his passion for music by playing the saxophone, clarinet, piano, or singing.

TERMS & CONDITIONS

By sending this form, I confirm that I have read and accepted the terms and conditions detailed below.

Confirmation

We will confirm your participation after receiving signed registration form. All discounts can only be applied at the time of registration and discounts cannot be combined. Discounts for group registrations are only valid for the number of delegates specified on your booking form.

Prices for each event are correct at the time of publication. Luxatia International reserves the right to change the prices at any time but changes will not affect registrations which have already been confirmed by Luxatia International.

Cancellation policy

You may substitute delegates at any time by providing reasonable advance notice to Luxatia International.

All cancellations received 60 business days or more before the event is held, this cancellation is subject to a registration fee up to 50% the value of the ticket per delegate. In case of canceling the registration later than 60 business days before the event is held, the paid amount cannot be refunded and the amount remains payable in full. In the event that Luxatia International cancels or postpones an event for any reason whatsoever, including but not limited to any force majeure occurrence, you will receive a credit for 100% of the contract fee paid. No refunds, partial refunds or alternative offers will be made and all pending amounts remain payable in case such situation.

Luxatia International is not responsible for any loss or damage as a result of a substitution, alteration or cancellation/postponement of an event. Luxatia International shall assume no liability whatsoever in the event this conference is cancelled, rescheduled or postponed due to a fortuitous event, Act of God, unforeseen occurrence or any other event that renders performance of this conference impracticable, illegal or impossible. For purposes of this clause, a fortuitous event shall include, but not be limited to: war, fire, pandemics, labor strike, extreme weather or other emergency. Please note that while speakers and topics were confirmed at the time of publishing, circumstances beyond the control of the organizers may necessitate substitutions, alterations or cancellations of the speakers and/or topics.

Copyright

All Intellectual Property rights in all materials produced or distributed by Luxatia International in connection with this event are expressly reserved and any unauthorized duplication, publication or distribution is prohibited.
