11:30 Case Study: 🔍

Overview of Green Deal Initiatives and Their Common Denominator

Sustainability regulations have implications across the whole supply chain. Several countries have introduced new supply chain due diligence related regulations. Stephan Geiger will provide an overview about what they have in common and how different EU Green Deal initiatives impact companies. He will also point out supply chain transparency trends to be expected in the light of the upcoming Corporate Sustainability Due Diligence Directive (CS3D).

11:00 Case Study: 🔍

Environmental Compliance and Enforcement: Managing Risks and Liabilities

This talk will explore how organisations can mitigate Environmental Social and Governance risk such as the threat of “greenwashing” claims, and can comply with reporting obligations such as TCFD, by incorporating consideration of ESG issues into contract negotiation, drafting and monitoring. The talk will consider:

- The legal risks posed by failing to implement publicised emissions reductions plans and mis-reporting emissions data;
- How to mitigate those risks by adopting systems and procedures, including the importance of data collection and auditing;
- How to reduce Scope 3 emissions by introducing specialised terms in supply chain contracts.

SPOTLIGHT ON OUR SPEAKERS

WORLD LEGAL ESG SUMMIT | 7-8 NOVEMBER 2024 | BERLIN, GERMANY

Theodore S. Boone
Of Counsel
Dentons

Theodore S. Boone is Of Counsel in the Budapest office of Dentons, the world's largest law firm and a member of the faculty at Corvinus University's School of Business in Budapest. Mr. Boone's work and teaching focuses on Artificial Intelligence and other information technology matters, including as to how such matters relate to ESG. His work includes a focus on IT driven transactions and alliances, corporate digital transformations, cybersecurity, Robotics Process Automation, Intelligent Automation and software implementation. At Corvinus University Mr. Boone has developed and now teaches a new course titled "Business Leadership in the Age of Artificial Intelligence". Mr. Boone's most recent publication is "The Challenge of Defining Artificial Intelligence in the EU AI Act", Volume 6, Number 2, Winter 2023 ISSN: 2398-1679, Journal of Data Protection and Privacy (Henry Stewart Publications, London).

In the course of his work Mr. Boone draws on his extensive commercial and legal experience arising from previous leadership positions in the US and Europe at premier international law firms and one of the Big 4. Mr. Boone is a former President of the American Chamber of Commerce in Hungary and a former Adjunct Professor at Georgetown University's School of Law in Washington, DC. Mr. Boone received a J.D. from Columbia University School of Law and is a member of the Washington, DC, Bar, the New York Bar and the Bar of the Supreme Court of the United States. Mr. Boone speaks German and Hungarian in addition to his native English.

Philip Chan
Senior Legal Counsel - Human Rights
Booking.com

Philip Chan is the Senior Legal Counsel - Human Rights at Booking.com and an Australian qualified lawyer based in Amsterdam. For over a decade, Phil has advised the world's largest organisations to drive impact across responsible business practices. He previously led ethical and sustainable procurement at the University of Sydney, advised best practice on business and human rights to multinational companies at KPMG, and practiced law at DLA Piper. He is named one of Australia's top 25 most influential people in the pro bono sector and recognised with the Ethical Sourcing Award from the Bankia Sustainability Foundation. Philip holds a Master of Laws as a Westpac Future Leaders Scholar from the University of Melbourne, and a Bachelor of Arts (Media and Communications)/Bachelor of Laws from the University of Sydney.

Valentina Tarchinskaya
Chief Legal Marketing Counsel Europe
& Africa Eurasia
Colgate-Palmolive

Valentina Tarchinskaya is the Chief Legal Marketing Counsel for EU & AEA at Colgate-Palmolive, boasting over 15 years of expertise in advertising, digital and sustainability. She has international experience and worked in multiple jurisdictions such as the US, Czech Republic, UAE, Switzerland. Valentina is known for her innovative mindset and entrepreneurial spirit, and excels at reimagining possibilities and quickly adapting to the evolving legal landscape, ensuring that Colgate-Palmolive's marketing strategies are not only effective but also compliant with the latest legal standards. She is passionate about learning AI and legal tech, and an ambassador of adopting AI within the cross functional teams to drive growth and innovations. Valentina is also supporting global sustainability claims & communications at Colgate Palmolive.

Holger Engelkamp
Partner
Baker McKenzie

Holger Engelkamp is a Partner in Baker McKenzie's Corporate Practice Group and co-heads the firm's German Energy & Infrastructure practice.

Holger has numerous years of experience in all areas of M&A transactions and primarily focuses on the regulated energy and infrastructure sector. He advises corporate clients, institutional investors, financial sponsors, family offices and companies backed by institutional investors and financial sponsors. He handles a broad range of transaction types (both buy- and sell-side), including national and cross-border acquisitions and divestments (including auction processes), joint ventures, co-investments as well as related corporate matters. His practice also covers all stages of project development, including early-stage structuring, securing of land and project-related agreements (such as DSAs, PDAs and PPAs as well as EPC(M) and O&M agreements), particularly for renewable energy facilities.

Carsten Bringmann
Attorney, Associated Partner
Noerr

Carsten Bringmann is an Associated Partner in NOERR's Düsseldorf office. He advises on European and German regulatory law including environmental and energy law, law-carbon economy and sustainability related issues. Carsten is known in the market for advising clients on new regulatory developments and helping them to understand and shape legal frameworks. He is ranked as name of the next generation in his fields of expertise. In addition to his activities as a regulatory lawyer, Carsten is a lecturer in European Business Law at the University of Wuppertal since 2017.

Stephan Geiger
Partner, Head Advisory Climate
Change and Sustainability Services
EY

Stephan Geiger is a key SME in EMEA on ESG regulations related to supply chain due diligence and ESG reporting incl. CS3D, EU Deforestation Regulation, CSRD, EU Taxonomy, SFDR and further Green Deal initiatives as well as more principle-based Swiss regulations.

He also led numerous ESG Reporting related projects triggered by EU (CSRD / ESRS) and Swiss (RBI) regulatory requirements in various sectors (incl. CSRD double-materiality assessments, CSRD gap assessment and implementation work and work related to Swiss specific provisions in this regard). Mainly for advisory clients, but also for assurance clients.

Thomas Voland
Partner and Member of the Global ESG Board
and the Global Tech Group
Clifford Chance

Dr. Thomas Voland, LL.M., is Partner at the international law firm Clifford Chance. He has been advising national and international clients on complex regulatory, environmental and compliance matters under European, German and international law for more than 16 years - with a particular focus on the healthcare, consumer, automotive, technology and infrastructure sectors. He specializes in ESG issues, assisting companies, inter alia, with disclosure obligations, human rights impact assessments, strategic and risk considerations, transactions, disputes and with establishing appropriate compliance mechanisms.

Thomas co-leads Clifford Chance's European ESG Board. Moreover, Thomas is a member of the Committee on "Compliance and Corporate Social Responsibility" of the German Lawyers' Association.

Thomas frequently lectures and publishes on ESG issues. For example, he is author of a commentary on the CSRD as well as of another commentary on the German Supply Chain Act.

Leading directories, such as Legal500, Juve and WirtschaftsWoche recommend Thomas for public and environmental law. Furthermore, the German ESG practice led by Thomas is ranked in Band 1 by Juve.

Anca Plovie
Global Lead ESG Counsel
Nokia Corporation

In her present role, Anca is focusing on sustainability and responsible artificial intelligence, contributing to Nokia's global efforts to meet ambitious ESG goals. Anca is the founder of Nokia's technology ethics advisory board and of its Responsible AI taskforce. She is also involved in policy and standardization efforts at CEN-CENELEC and ISO. She holds legal degrees from the Vrije Universiteit Brussel and the Lucian Blaga University of Sibiu and is a member of the Belgian Institute for Company Lawyers. In addition to ESG, her multi-jurisdictional expertise covers telecommunications and technology law, privacy law, cybersecurity law and employment law. She led several international multi-disciplinary taskforces, managing the implementation of the GDPR and mitigating the effects of Brexit and of the Covid pandemic on Nokia. Previously, she worked as a regional legal counsel for Alcatel-Lucent and as a tax lawyer for two Big Four companies.

Ricardo Vick Fernandes Gomes
E&C Senior Counsel: Global ESG
Reckitt

Legal professional with 20 years of experience, including over a decade as an in-house lawyer, in several fields of law and jurisdictions. Currently the Ethics & Compliance Senior Counsel: Global ESG for Reckitt.

Melanie de Andrade
Senior Legal Counsel Sustainability
ABB

Melanie de Andrade works as Senior Legal Counsel for ABB's Electrification Business Area. ABB is a technology leader in electrification and automation. The company's solutions connect engineering know-how and software to optimize how things are manufactured, moved, powered and operated.

In her role she focuses on strategy development of ESG topics touching the legal field, leads international contract negotiations & provides execution support and practical support on risk management.

There are large opportunities for future of ESG in the space of contracting. It is our task as legal professionals to navigate ambiguity in sustainability legislation and regulations with a leading voice and create transparency.

Maximilian Findeisen
Partner
Norton Rose Fulbright

Maximilian Findeisen is a partner of Norton Rose Fulbright in Germany and co-head of the firm's Düsseldorf office. He specialises in corporate law advice as well as mergers & acquisitions. His clients include large industrial as well as financial and institutional investors.

Maximilian's profound M&A expertise comprises share deals and asset deals, both on buy-side and sell-side, as well as joint ventures and club deals. In addition, he is highly skilled in corporate law and advises clients and their executive board and supervisory board members on a broad range of questions of corporate governance, corporate compliance and ESG-related matters.

Legal 500, Best Lawyers and others regularly recommend him for Corporate Law as well as M&A

Richard Power
Partner
Clyde & Co

Richard is a partner in Clyde & Co's Global Arbitration Group. He has a special focus on clean energy and on climate change risk, and chairs Clyde & Co's Power & Renewables Sector Focus Group.

Richard studied economics and law in South Africa before reading for a Masters of Law at St John's College, Cambridge. After 14 years at legacy Berwin Leighton Paisner, where he was Co-Head of International Arbitration, Richard joined Clyde & Co in 2015.

As well as assisting clients with their international and domestic commercial, contractual, financial and investment disputes, Richard also advises on identifying and mitigating ESG risk, including "greenwashing" claims. Richard sits on the Net Zero Lawyers Alliance Steering Group and on Clyde & Co's Environmental Sustainability & Biodiversity Steering Committee. He has spoken on climate change risk and the energy transition at London International Disputes Week and London Climate Action Week. He has also acted as a Senior Facilitator for The Chancery Lane Project's "hackathons" to develop climate-conscious contractual provisions.

As well as authoring a series of articles on the energy transition, including the drive for decentralisation and digitisation, Richard is the author of the *Energy Arbitrations* chapter of Global Arbitration Review's *European Arbitration Review* for 2017, 2018 and 2019 and regularly contributes articles on the energy sector to such industry publications as *Energy Voice*, *Energy Economist* and *Energy Global*.

TERMS & CONDITIONS

By sending this form, I confirm that I have read and accepted the terms and conditions detailed below.

Confirmation

We will confirm your participation after receiving signed registration form. All discounts can only be applied at the time of registration and discounts cannot be combined. Discounts for group registrations are only valid for the number of delegates specified on your booking form.

Prices for each event are correct at the time of publication. Luxatia International reserves the right to change the prices at any time but changes will not affect registrations which have already been confirmed by Luxatia International.

Cancellation policy

You may substitute delegates at any time by providing reasonable advance notice to Luxatia International.

All cancellations received 60 business days or more before the event is held, this cancellation is subject to a registration fee up to 50% the value of the ticket per delegate. In case of canceling the registration later than 60 business days before the event is held, the paid amount cannot be refunded and the amount remains payable in full. In the event that Luxatia International cancels or postpones an event for any reason whatsoever, including but not limited to any force majeure occurrence, you will receive a credit for 100% of the contract fee paid. No refunds, partial refunds or alternative offers will be made and all pending amounts remain payable in case such situation.

Luxatia International is not responsible for any loss or damage as a result of a substitution, alteration or cancellation/postponement of an event. Luxatia International shall assume no liability whatsoever in the event this conference is cancelled, rescheduled or postponed due to a fortuitous event, Act of God, unforeseen occurrence or any other event that renders performance of this conference impracticable, illegal or impossible. For purposes of this clause, a fortuitous event shall include, but not be limited to: war, fire, pandemics, labor strike, extreme weather or other emergency. Please note that while speakers and topics were confirmed at the time of publishing, circumstances beyond the control of the organizers may necessitate substitutions, alterations or cancellations of the speakers and/or topics.

Copyright

All Intellectual Property rights in all materials produced or distributed by Luxatia International in connection with this event are expressly reserved and any unauthorized duplication, publication or distribution is prohibited.
